

**NEW: Bigger capacity, maximised protection.**  
 The DataPlus+ range from Chubb safes has been expertly designed to ensure you have the best protection for your vital data media now with extra capacity

# DataPlus+

FIRE-RESISTANT DATA MEDIA PROTECTION

## Key Features

- Easy slam action emergency closing in event of a fire.
- Generous capacity. Chubb safes cabinets have been designed to give you more for your money than most other manufacturers' cabinets.
- High-quality media protection.
- Two-hour data media protection label. Tested to the highest international standards, UL 72 and EN 1047-1. EN Norm is certified by ECB•S in class S 120 DIS for fire resistance.
- Burglary protection in accordance with European norm EN 14450 and certified by ECB•S in security classes S1 and S2.
- Easy to transport and install.
- Low weight ratio due to new advanced fire protection barrier material.
- Ability to customise by using internal fittings to optimise your storage capacity.
- Removable front plate allows useage of a pallet loader for more efficient installation, reducing costs to the customer.
- Ability to base fix to the floor for effective prevention of physical removal.
- The cabinet is fitted with a key lock as standard. However, you may require the monitoring of access to your sensitive data and therefore we have a series of electronic locks ranging from basic locking to more sophisticated audit trails.
- The cabinet is an attractive light grey which fits in well in most office interiors.
